KEY FEATURES

TV SOUND CONNECT

Enjoy a clutter-free home entertainment system. TV SoundConnect lets you instantly enjoy movies, music, and TV shows with more impactful sound.

BLUETOOTH POWER ON

Connect wirelessly for one-touch control of your Soundbar from Bluetooth®-compatible devices. Simply select the Soundbar for pairing and power it on automatically to play all your favorite music services and more.

SAMSUNG AUDIO REMOTE APP

Control your home entertainment system from your phone or mobile device with the Samsung Audio Remote App.

SURROUND SOUND EXPANSION

Experience the full power and depth of your favorite movies and TV shows with a wholly optimized audio experience.

2.1 CHANNEL SYSTEM

Enjoy a dynamic home audio experience with 2.1 Channel surround sound.

DOLBY DIGITAL HANNEL

Advanced audio processing adapts Digital Theater

System sound to your stereo system, creating a truly cinematic digital audio experience.

HDMI

Enjoy your favorite movies, shows, and sports with higher quality audio. The HDMI® connection transmits digital video and audio over a single cable, delivering a superior entertainment experience.

CLEAR VOICE

Samsung Clear Voice enhances voices and dialogue so you won't miss a single line in your favorite scene.

WIRELESS ACTIVE SUBWOOFER

Feel the action of your favorite movies, shows, and sports with dynamic, powerful bass for a lifelike home entertainment experience.
